Institutional License Certificate

MIA TOOLKIT

This certifies that

[Organization name]

holds a valid [Clinic / Hospital / Network] Institutional License for MIA Toolkit, covering [Sites and workstations covered], for the term shown below.

License number	[License number]
Tier	[Clinic / Hospital / Network]
Scope	[Sites and workstations covered]
Issue date	[YYYY-MM-DD]
Expiry date	[YYYY-MM-DD]

This certificate confirms an active annual compliance and support package for the organization, scope, and term named above. MIA Toolkit is free, open-source software (MIT License); this license adds a vendor relationship, support, and procurement documentation, and does not alter the software's MIT terms. The software carries no warranty beyond the MIT License. It is a file-management tool for imaging media and is not intended for diagnosis, prevention, monitoring or treatment.
